

BES alum,

We are continually hearing exciting news about our recent student alumni and are always so proud that you are a graduate of Beaches Episcopal School. I am aware that your current school expects you to complete a certain number of community service hours each school year and would like to offer you the opportunity to do this at BES during our 2011 Summer Camp program.

Our greatest need for help is during the morning camp program from 9:00 a.m.-noon, but if you have a conflict during that time, we also need assistance during our afternoon activities from 12:30 p.m. – 3:00 p.m. Because of cost restraints, I would request that you view our Summer Camp brochure online at [www.BeachesEpiscopalSchool.org](http://www.BeachesEpiscopalSchool.org). You will need Adobe Reader to download the file.

Because we are very selective, we are only approaching alumni about serving in our camp program. The dates of the camp sessions are listed below along with a place to list first, second and third choice of camp programs that you would like to be involved in. We will need you to commit for an entire week as your presence becomes a critical part of the camp experience.

I hope you will be able to continue your involvement with BES by being a part of our 2011 Summer Camp program.

Sincerely,

*Jackie Busse*
